TaiRox™
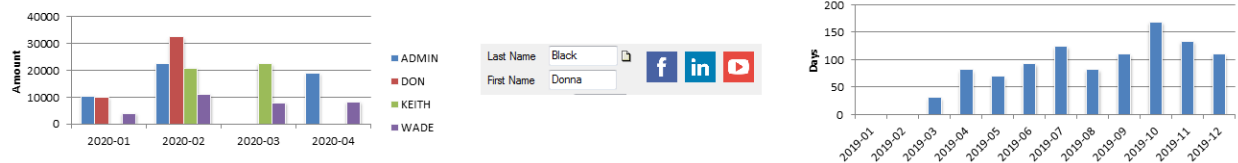

Improve Sage 300 Productivity

TaiRox CRM: Finally, a CRM product that caters to accounting as well as sales. Email invoices to multiple customer contacts. Create collections cases for overdue receivables. Perform sales tasks with internet-like searching. And all without leaving the familiar Sage 300 desktop.

Productivity Tools: Add hundreds of features to Sage 300! Update, ship and invoice hundreds of orders. Enhance entry forms! Want to find a customer, vendor or item as if in a search engine? Click the button!

Want to see an address location on a Google Map? Click the button!

Fast Clear History, Fast Data Integrity, Fast DBTools: Our resellers talk about their experience with large Sage 300 databases.

> "Fast ... cleared 49 million records in about 75 minutes ... before this ... not even an option! Thanks TaiRox!!" **Kelly Hummel, Net@Work.**

> "The native data integrity ... took over 3 days ... Fast Data Integrity ... less than 1.5 hours." **Bruce Bruce Warrell, NextLevel Information Solutions.**

> "As if you need further testimonials ... Load complete in 1:20 ... a 40 GB database, had taken 4.5 hours" **Scott A. Schreiner, Axis Integrated Solutions.**
